**To:** ebreto@yahoo.com

Hello,

I am Josh's Algebra 1 math teacher, and I wanted to let you know how sorry I am that Josh is leaving my class. He has been an excellent student who was reliable in the completion of homework assignments, and who always asked pertinent questions when he did not understand a new concept. He maintained an "A" average throughout the year, and I've appreciated his enthusiasm and motivation. I've enjoyed having him in my class, and will miss him.

I wish him a successful end-of-grade 9 at Spanish River.

Sincerely,  
Karen Gerrard
