To Whom It May Concern:

My name is Erin Moylan and I am a high school English teacher at American Heritage Boca/Delray School. I have had the pleasure of educating Joshua Breto in my English 1 class this 2004-2005 school year.

Joshua can be best described as highly motivated and insightful. Every day Joshua comes to class with a smile on his face, a positive attitude and is ready to work hard no matter what task is assigned. Within the classroom, Joshua utilizes his critical thinking skills to develop a higher level of discussion in regards to theme and character analysis.

Outside the classroom, Joshua is a stellar athlete on the soccer field at the high school and club soccer levels.

For these reasons, I believe Joshua Breto is an asset to Spanish River High School community.

Sincerely,

Erin Moylan
